KNIGHTS COLUMBUS
MET AT OLD MISSION

With thirty-seven candidates and officials of the lodge from all points in the state, the Knights of Columbus met in Carmel Sunday at the Old Mission and conferred the second and third degrees on new members.

The state degree team under the direction of Frank Barry, Los Angeles, exemplified the work.

Father O'Connell celebrated mass at ten o'clock for the visitors and gave a talk on loyalty to the president.

Very pretty services were held in the afternoon when the visitors made a pilgrimage to the mission chapel for Benediction of the Blessed Sacrament, and a wreath was laid on the grave of Father Junipero Serra.

A barbecue in charge of Adam Kramer, assisted by ladies of the church, was served at one o'clock on the grounds south of the Mission, the meat being cooked over the newly made barbecue pit. Huge steaks, beans, potato salad and coffee were served. About 300 were present.

WILLIAM SILVA WILL
OFFICIALLY OPEN HIS
GALLERY FOR SUMMER

With his gallery refurnished and new pictures on display, William Silva will hold his official summer opening of the Carmelita Gallery on San Antonio north of Ocean next Sunday afternoon from three to five.

Continuing through the summer, the gallery will be open on Tuesday, Thursday and Saturday, and possibly Sunday afternoon.

Mrs. Ruth H. M. Lewis will be curator of the gallery for the summer. A cordial invitation is extended to the public.

C. H. Barnett of the Homestead was made happy today by the arrival of his mother from Portland, Ore., who has come for an extended visit.

SUNSET PRINCIPAL IS
CHOSEN AS EDITOR

Carmel people are pleased with an honor which has come to O. W. Bardarson, principal of Sunset. Mr. Bardarson has been appointed by the California Elementary School Principals' association to edit the year book for 1934-1935.

Mr. Bardarson said the general theme of the book would probably be "The Worthy Use of Leisure Time." It will contain data and articles on various phases of education prepared by members of the association.

DOLORES INN NOW

SERVING DINNERS

Dolores Inn which opened at Dolores and Eighth four months ago, has resumed serving of dinners, which they discontinued during the winter months.

Mr. and Mrs. Obrien are very much pleased with Carmel and delighted with their increase in patronage. Mrs. Obrien enjoys working in her flowers and has that peculiar something which some have of being able to get her plants to flourish. She now has some very lovely house plants which had been given up as hopeless by others which are rewarding her with a multiplicity of blossoms.

SERVICES AT MISSION

DURING NEXT WEEK

HORSE SHOW PROMISES
INTERESTING EVENTS

Mrs. Caroline Edwards, who recently moved her shop from Lincoln street to Ocean avenue, next to the library garden, has decided to change the name to "The Little Shop."

"I am glad I tried out the experiment of having my shop off the beaten paths," said Mrs. Edwards, "for I had always fully done. I am convinced now that it pays to be on the main avenue."

Mrs. Edwards has some especially interesting and lovely old glass as well as other rare and beautiful things.

Rev. Fr. O'Connell announces that beginning Sunday, Mission will be conducted at the Old Mission all during next week.

Rev. Fr. Sweeney, redemptorist of Fresno, will be in charge of the services. There will be services for the children in the afternoons and for the adults in the evenings.

CARMEL GIRL BRIDE
OF MONTEREY MAN

The wedding of Miss Winifred Askew to Mr. William Schilling of Monterey came as a surprise to their many friends here.

The couple were married in Hollister Saturday morning and after a short honeymoon will make their home in Pacific Grove.

The bride is a daughter of Mrs. Jessie Askew and a sister-in-law of Fred Mylar at the money order window in the post office. Since her graduation from Monterey high, she has attended business college in Salinas.

The groom is manager for the Tice Electrical Shop in Monterey.

All good wishes attend the happy couple.

MARIONETTES AT SUNSET

Under the auspices of the P.T.A., Cho-Cho, the health clown gave a health talk at the assembly Wednesday morning, which he illustrated by clever antics.

Friday morning, this week, at 10:45, the student body will sponsor the Pattison Marionettes, 40 per cent of the proceeds to go to the school plant fund and which will be used for setting plants on the grounds. Admission will be ten cents for children and twenty-five cents for adults.

Charles, the young son of Mrs. Teressa Duranti of The Lucca, who had been in the hospital for several weeks, was considered sufficiently improved to be sent home the last of the week. He will stay with relatives in Monterey for a while.

MISSION CARD PARTY

With thirteen tables in play and some present who did not take part in the games, it was estimated that sixty people attended the whist party at the Old Mission Tuesday evening.

Prizes went to Peggy Elliott, Mrs. R. G. Leidig, Mrs. J. A. Bunch, Mrs. George Ahlsburt, Mrs. G. L. Carroll, Mrs. J. H. Gindsey, Miss M. Conlon, Miss Louise Chabot, Mrs. Fred Leidig, Susan Rosh, Anna Garrett, Mrs. Reardon, Mrs. Layton and Mrs. E. Kelsey.

POSTOFFICE LOCATION
IS NOT YET DECIDED

Although it was announced that bids for rental of a building for the Carmel postoffice would be closed April 20, it seems now that they were not official bids—if, as rumored, further "proposals" will be "invited."

It is said that only one bid was received thought to be due to the fact that equipment is so expensive and the time of lease, two years, is so short, and that the requirement of equipment unfairly limited competition.

Proposals for both equipped and unequipped buildings will probably be asked.

EXAMINATIONS CALLED
FOR CIVIL SERVICE JOBS

Civil service examinations are called for chief topographic draftsman, principal topographic draftsman, topographic draftsman and assistant topographic draftsman. Anyone interested may see Fred Mylar at the post office for information.

P. G. & E. WILL CONDUCT
HOSTESS PROGRAM MAY 7

Carmel housewives are showing a keen interest in the announcement that Miss Bertha Mae Hixson, of the Electric Appliance Society of Northern California will conduct a hostess program in the offices of the Pacific Gas and Electric company here from Monday, May 7, to and including Friday, May 8.

The hostess program will feature the first annual electric refrigerator campaign of the Electric Appliance Society of Northern California of which the leading local dealers are members.

During her visit here Miss Hixson will prepare and serve various kinds of frozen desserts and other delightful dishes, which she will concoct with the aid of electric refrigerators of various types on display in the Pacific Gas and Electric Company's office. Recipes for the frozen dishes served, together with other popular recipes, printed in pamphlet form will be given away to those attending the program.

According to Miss Hixson, her program will be conducted from 11 o'clock in the morning until 5 o'clock in the afternoon throughout the day she is in the city. All those interested are invited to attend and to receive their free recipe booklet. There is no admission charge.

The refrigerator campaign is being sponsored throughout Northern California during May by the manufacturers and distributors of the following reliable makes of refrigerators: Apex, Crosley, Frigidaire, General Electric, Gibson, Kelvinator, Leonard, Norge, Stewart-Warner and Westinghouse.

The Betty Ann Food Shop has been in its present location one year today.

CHRISTIAN SCIENCE CHURCHES

"Shall not the Judge of all the earth do right?" These words from Genesis comprise the Golden Text to be used in all Churches of Christ, Scientist, in Boston, Mass.

The subject of the Lesson-Sermon will be "Everlasting Punishment." Included among the Scriptural selections will be: "For there is nothing covered, that shall not be revealed; neither hid, that shall not be known. Therefore whatsoever ye have spoken in darkness shall be heard in the light; and that which ye have spoken in the ear in closets shall be proclaimed upon the housetops" (Luke 12; 2, 3).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy will also be included: "Though error hides behind a lie and excuses guilt, error cannot forever be concealed. Truth, through her eternal laws, unveils error. Truth causes sin to betray itself, and sets upon error the mark of the beast." (p 542).

YOU NEED HOT WATER

150 TIMES A DAY

"There's no hot water."

The old familiar cry still rings in our ears, as it rang periodically through every home until a few years ago.

But during those few years scientific invention has made rapid strides, until what was once deemed a luxury is now an everyday convenience in even the humblest of homes. The demand is not only for hot water but for lots of it and "right now."

Modern standards of living do not permit waste of time and energy in fussing with antiquated water-heating systems, involving the keeping of supplies of fuel on hand, stoking, cleaning out ashes etc., and always having to wait indefinitely until the water is heated. Householders today insist that the only effort on the part of the user be in turning on the faucet.

This marvelous appliance operates automatically and is automatically controlled. It needs neither care nor attention. It is also inexpensive to operate, for two reasons: first, because natural gas is available for fuel and this commodity, having twice the heating value of the artificial product, is proportionately cheaper to use; second, because it is needed only when the temperature of the water in storage falls below a predetermined degree. When this happens, the gas is automatically turned on and burns until the water again reaches the required temperature when it is automatically shut off. This automatic feature reduces the cost of fuel consider-

ably.

The automatic gas water-heater is at the disposal of any household upon terms to suit the most modest budget. Now is the time to make the installation and insure comfort during the coming summer months.

Mr. and Mrs. John South of Burlingame were week-end visitors in Carmel. Mr. South is editor of the Burlingame Star. They have taken a cottage for the month of June and will leave their family here while they go east.

SUNSET TRUSTEES MET

FOR ORGANIZATION

The Parish Guild of All Saints, Carmel, are holding a rummage sale and flower market in the vacant store under the Sundial Court Apts., Monte Verde, on May 24, 25, 26. Articles for sale and plants, seeds, bulbs, etc., for the flower market may be left at the Parish hall on Monte Verde or they will be called for on request. Tel. 135 or 914W.

The trustees of Sunset school met Monday night to organize for the year's work, at which time E. H. Ewig was reelected chairman, and Mrs. Helen Levinson was elected clerk.

The regular monthly meeting will be held on the second Tuesday of each month, hereafter, the May meeting falling on next Tuesday evening.

Der Ling Oriental Shop Announces First Sale in Twelve Years

"This is my first 'really-truly' sale in 14 years," said Hallie Sampson of Der Ling Shop in speaking of her gigantic stock-reducing sale which started at the lovely little shop today.

Although Miss Sampson has been in Carmel only six years, she has been selling these beautiful things imported from China for the past 14 years.

When El Paseo was opened for tenants in 1928, Miss Sam-

son was the first to sign a lease and she remained in that building until moving across the street about a year and a half ago.

The sale which will continue for the next two weeks, is store-wide and will include all the lovely silks from China at unbelievably low prices. Jades, mandarin coats and skirts and we can't begin to name them all, but you may see them if you are among the early shoppers.

Mr. and Mrs. S. V. Scarlett, Miss Sally Scarlett and Ariel Scarlett are visiting in Fresno with Mrs. Scarlett's sister for a few days.

Mr. and Mrs. Leo Vasquez and family are moving to the Ford place the latter part of the week.

J. B. Cornett of Salinas is spending several days at Mrs. Walter Austin's cabin at Camp Steffani.

Miss Harriet Eddy, State Demonstration Leader of the University of California and Mrs. Mabel Ahart, State Chairman of Home Department visited Mr. and Mrs. B. H. Schulte last week.

Mrs. William Watts of Oak-land, Mrs. Arthur Anthony of San Francisco, and Miss Edith Anthony of Monterey were week-end guests of Mr. and Mrs. J. C. Anthony.

Mr. and Mrs. B. H. Schulte, their son and daughter, Bernard and Virginia Schulte, and Mrs. H. B. Schulte spent the week-end at Sequoia National Park. They took Mrs. Schulte's aunt Mrs. C. F. Clark to Visalia where she will visit with her sister for sometime before returning to her home in Woodland.

Tuesday afternoon May 1, the Carmelo Home Department met at the home of Mrs. H. B. Schulte. "Eggs in the diet" was the topic under discussion with Miss Ann Olson directing. A report of the Better Homes Tour held last week was given by Mrs. J. H. Stewart.

After the business meeting refreshments were served by the hostess.

Coming as a surprise to her many friends on the peninsula was the announcement by Mr. and Mrs. Scarlett of the marriage of their daughter Miss Irene Norma to Mr. Gilbert Selfridge, son of Mrs. Sarah Redfern of San Jose.

The wedding took place in Reno, Nevada, on Friday, April 20 at 5 p. m. Mr. and Mrs. Richard Collier of San Jose were present at the ceremony. The attractive bride wore a tailleur of blue wool with which

she wore white accessories and a corsage of white violets.

Mrs. Collier wore a grey swaggy suit with blue accessories and a corsage of gardenias. Mr. and Mrs. Selfridge are residing in Reno where the groom is employed with a large construction company.

CARMEL WOMEN WILL TALK TO WOMEN VOTERS

At the May luncheon meeting of the League of Women Voters, two Carmel women are scheduled to speak. Miss Mary E. Bulkley will discuss "Social Credit" or "The New Economics" and Mrs. B. H. Schulte will tell of the work done by the Bureau of Home Economics and the Agricultural Extension service.

Miss Bulkley frankly states that her interest is to change the present economic system which corrupts all and sundry. This, she believes, could be accomplished in an orderly manner by the adoption of "The New Economics" a movement already well under way and sponsored by many different organizations to make the national Treasury not the banks the source of credit. This plan aims to control production through consumption to give to every consumer enough purchasing power so that he may have what he needs. It is based on the belief that there is plenty for all and that there is no need to take from any one to provide for others. The plenty that awaits everyone includes leisure. Leisure is not idleness. It is the end toward which men have been groping blindly since they first used a lever or rolled a wheel. The League is asking Miss Bulkley to present this plan because of a desire to learn just what it is. The League has in no way endorsed the "New Economics."

Mrs. Schulte has long been interested in the rural family, having served as State chairman of the Home Department of the California Farm Bureau Federation for four years, as County Chairman of the Home Department of the Monterey County Farm Bureau for eight years, and as a 4-H Club leader for nine years. These contacts have given Mrs. Schulte an intimate knowledge of the work of the Bureau of Home Economics and how it relates to the work in the field with the rural women.

All interested persons are welcomed at these luncheon meetings whether members of the League or not. Mrs. Willis G. White and Mrs. T. A. Work comprise the reception committee. Luncheon is served promptly at 12 o'clock, the meeting opened at 12:30 and adjourned at 2:00 p. m. with Mrs. Joseph Schoeninger in the chair. Reservations for this luncheon at the San Carlos Hotel next Wednesday, May 9th, should be made with the hotel, telephone Monterey 4114.

ASPRE AND ORCHESTRA

PLEASE LARGE CROWD

If you missed the Filipino concert at the Denny-Watrous gallery last Saturday night, it is indeed unfortunate.

The gallery was filled and the program was heartily enjoyed by all present.

Aspre, himself, is a violinist of exceptional talent, his tones pouring forth rounded and clear.

Rosita Lamont, a charming young lady of pleasing personality, put herself across with both manner and lovely voice, her dialect songs being beautifully rendered.

The cadence found in Filipino music, first soft, then louder, was noticeable in each number and each one of the musicians appeared to put himself into the expression.

Miss Gladys Steele, K.LX pianist, was excellent in her accompaniments.

Aspre himself congratulated the Misses Denny and Watrous for their vision in bringing this orchestra to Carmel, and all who heard them joined in congratulations.

Miss Margaret Swedburg spent the week-end with friends in San Francisco.

MORE THAN 50% LONGER NON-SKID MILEAGE in the NEW Firestone HIGH SPEED TIRE FOR 1934

THE new Firestone High Speed Tire for 1934 is the greatest tire Firestone has ever built. With its wider, flatter tread, greater thickness, deeper non-skid, more and tougher rubber, and greater non-skid contact with the road, you get more than 50% longer non-skid mileage.

This new development is made possible by the Firestone patented process of Gum-Dipping, whereby the cotton fibers inside the high-stretch cords are soaked and coated with pure liquid rubber. This provides greater strength, safety and blowout protection.

Firestone engineers pioneered and developed the first successful balloon tire in 1923, and it is only natural that Firestone would lead in the further development of tire construction to meet the demands of the high-powered high-speed cars of today.

The new Firestone High Speed Tires for 1934, have already proved their worth by constant testing on the Firestone fleet of test cars over all kinds of roads and highways throughout the United States.

Firestone High Speed Tires are further subjected to the most severe tests known on the greatest proving ground in the world — the Indianapolis Speedway. In fact, Firestone Tires have been on the winning cars in the annual 500-Mile Indianapolis Race for fourteen consecutive years — conclusive evidence of Firestone's outstanding leadership in tire development and construction.

Drive in today and replace your thin, smooth, worn tires with a new set of the Safest—Longest Wearing—and Most Dependable Tires Firestone has ever made.

PENHA AND LINSLEY TO GIVE PROGRAM

Carmel people are fortunate in that they will have the opportunity to hear Michel Penha and Ralph Linsley in a program.

Penha and Linsley prepared the program for the Monday Musical Club of Santa Cruz, and presented it at the high school auditorium in that city Monday night to a large and appreciative audience.

Three cars of Carmel people were present and numbers of them requested the Denny-Watrous gallery to bring the entertainers here so that all music lovers on the peninsula might have the opportunity to hear their program.

Although the time is short for advertising, it is hoped that all will bear it in mind that Messrs. Penha and Linsley will be here at the gallery Saturday night, May 12, and will remind their friends of the date.

Since everyone in this section is thoroughly acquainted with the work of these artists, it goes without saying that the gallery will be crowded on that evening.

BUSINESS HOUSES ON MOVE HERE THIS WEEK

Several changes of location are taking place among the business firms here this week.

The Cinderella Shop is remodeling the former Barnet Segal office and Miss Prentice will open soon with a new stock of dresses.

The Segal Investment company has moved across the street to the building formerly occupied by the Woman's Exchange.

The Woman's Exchange has moved to the location vacated by the Carmel Hardware, and the latter has moved next door to Rae Welch's real estate office on Dolores.

Charm and Chandler of Monterey are said to have leased the building where the old Cinderella shop was located before the fire, and to plan to put in a branch store of men's clothing.

BARDARSON BABY HAS UPPER LEG BROKEN

Friends are sympathizing with Mr. and Mrs. O. W. Bardarson in the serious injury of their small son, Linne, aged three years and eight months, who was so severely injured last Thursday that he will have to spend the coming six weeks in a hospital.

The little lad, who with his mother was visiting in Santa Barbara, dashed out in front of an approaching Ford coupe and was struck, the result being a spiral fracture of the bone in his upper leg. He was immediately placed in a cast and brought home on the train. The break is of such a nature that it is impossible to set it and a pulley has been placed on both legs and from time to time X-rays will be taken to determine the progress.

Although the car was going about thirty-five miles an hour and skidded 24 feet, the little lad held on to the bumper, which kept him from being crushed to death.

MADAME BARRY ORLOVA GAVE INTERESTING TALK

At her lecture last Friday night at the Community theatre, Madame Barry Orlova entertained a large audience with her talk of Russia, yesterday and today.

After the lecture, questions were asked and answered and all enjoyed the discussions. Madame Orlova has her subject well in hand.

Blendall F. Berkley, charged with a serious criminal offense under the Motor Vehicle Act,

who was to have had his trial before the superior court in Salinas May 2, was dismissed by that court April 26. Attorney George P. Ross of Carmel represented Mr. Berkley.

The exhibition of Miss Abby Lou Bosworth at the Denny-

Watrous gallery will be carried over until May 12, according to an announcement today.

Mrs. H. Lee Watson went to Pasadena last week on a shopping trip and stopped at the Hotel Constance.
